

GAMING OPERATIONS & HARM MINIMISATION TRAINING Virtual Learning

A cost effective solution to training. Packages are developed to meet corporate society needs to deliver training to venues, allowing venue staff to learn at their own pace and in their own environment.

Packages start at \$350.00 plus GST per venue per year, and include learning material for the venue staff and the corporate society trainer in harm minimisation and gaming operations training.

Training can be provided by the corporate society in house personnel.

Venue staff can choose to come to a central location to obtain the NZQA qualification starting from \$75.00 plus GST per person, plus travel and accommodation costs of the qualified NZQA assessor.

A Gaming Machine Venue is only as good as the least trained personnel

Gary Hawkes Bay – “Absolutely a must for all involved in gaming machines”

Chrissy Wellington – “Friendly and Easy to Understand, enjoyable and Enthusiastic”

Ross – Hastings – “It filled in the gaps and increased my awareness of my compliance”

Neil – Hawkes Bay – “Lot of interaction – important to keep your mind on subject”
